

MITI Portable DeCon "U" Shower

Patents Pending

The Portable DeCon U Shower is specifically designed to deploy quickly and to minimize the amount of waste water created during the decontamination process. The system is uniform in design to be used independently or with the MITI DeCon Hoop™, Pools and Secondary Ground Pad/Berm Systems.

FEATURES:

- Deploys in less than one minute
- Constructed of high strength aluminum tubing
- Nyglas cam-lock quick couplers for quick leak-free connections
- Breaks down for easy stowage in confined spaces
- Powder coated safety orange for high visibility, chemical and corrosion protection
- Comes complete with storage bag
